

Albemarle Corporation to present at Morgan Stanley Global Chemicals and Agriculture Conference on November 15

October 17, 2017

CHARLOTTE, N.C., Oct. 17, 2017 /PRNewswire/ -- [Albemarle Corporation](#) (NYSE: ALB), a leader in the global specialty chemicals industry, announced today that Luke Kissam, chairman, president and chief executive officer and Scott Tozier, executive vice president and chief financial officer, will present at the sixth annual Morgan Stanley Global Chemicals and Agriculture Conference in Boston, MA on Wednesday, November 15, 2017. The format will include a fireside chat, with the remainder of the day consisting of one-on-one meetings. In addition to Kissam and Tozier, Sharon McGee, vice president, investor relations and corporate development, will be in attendance.

The presentation and webcast can be accessed through the Events & Presentations page on Albemarle Corporation's web site at <http://investors.albemarle.com>. Details regarding the webcast will be made available prior to the event.

About Albemarle

Albemarle Corporation (NYSE: ALB), headquartered in Charlotte, NC, is a global specialty chemicals company with leading positions in lithium, bromine and refining catalysts. We power the potential of companies in many of the world's largest and most critical industries, from energy and communications to transportation and electronics. Working side-by-side with our customers, we develop value-added, customized solutions that make them more competitive. Our solutions combine the finest technology and ingredients with the knowledge and know-how of our highly experienced and talented team of operators, scientists and engineers.

Discovering and implementing new and better performance-based sustainable solutions is what motivates all of us. We think beyond business-as-usual to drive innovations that create lasting value. Albemarle employs approximately 4,500 people and serves customers in approximately 100 countries. We regularly post information to www.albemarle.com, including notification of events, news, financial performance, investor presentations and webcasts, non-GAAP reconciliations, SEC filings and other information regarding our company, its businesses and the markets it serves.

"Safe Harbor" Statement under the Private Securities Litigation Reform Act of 1995: Statements in this press release regarding Albemarle Corporation's business that are not historical facts are "forward-looking statements" that involve risks and uncertainties. For a discussion of such risks and uncertainties, which could cause actual results to differ from those contained in the forward-looking statements, see "Risk Factors" in the Company's Annual Report on Form 10-K.
