

Albemarle Corporation to Participate in Benchmark Minerals' Lithium Conference 2020

December 7, 2020

CHARLOTTE, N.C., Dec. 7, 2020 /PRNewswire/ -- [Albemarle Corporation](#) (NYSE: ALB), a leader in the global specialty chemicals industry, announced today that Eric Norris, President, Lithium, will participate as a keynote speaker at Benchmark Minerals' Lithium Conference 2020 on Thursday, Dec. 10, 2020, at 4 p.m. ET. The conference is part of Benchmark Week 2020, an online special, bringing together industry leading experts and influencers in the lithium-ion battery and electric vehicle supply chains.

To register for the presentation session featuring Norris, please visit the link [here](#). The webcast and presentation materials will be accessible at the time of the event through the Events and Presentations page on Albemarle's website at <http://investors.albemarle.com>.

About Albemarle

Albemarle Corporation (NYSE: ALB), headquartered in Charlotte, N.C., is a global specialty chemicals company with leading positions in lithium, bromine and refining catalysts. We think beyond business-as-usual to power the potential of companies in many of the world's largest and most critical industries, such as energy, electronics, and transportation. We actively pursue a sustainable approach to managing our diverse global footprint of world-class resources. In conjunction with our highly experienced and talented global teams, our deep-seated values, and our collaborative customer relationships, we create value-added and performance-based solutions that enable a safer and more sustainable future.

We regularly post information to www.albemarle.com, including notification of events, news, financial performance, investor presentations and webcasts, non-GAAP reconciliations, SEC filings and other information regarding our company, its businesses and the markets it serves.
