(1) Per \$1,000 or €1,000 principal amount, as applicable.

(2) The applicable Total Consideration (as defined below) payable for each series of Securities is a price per \$1,000 or €1,000 principal amount, as applicable, of such series of Securities validly tendered on or prior to the applicable Early Participation Date and accepted for purchase by us, which is calculated using the applicable Fixed Spread, and includes the applicable Early Participation Amount. In addition, holders whose Securities are accepted for purchase will also receive any Accrued Interest on such Securities. Holders of Securities that are validly tendered after the applicable Early Participation Date and at or before the applicable Expiration Date and accepted for purchase will receive only the applicable Late Tender Offer Consideration, which does not include the applicable Early Participation Amount, together with any Accrued Interest on such Securities.

The Tender Offers are being made pursuant to an Offer to Purchase, dated March 1, 2021 (the "Offer to Purchase"), which sets forth the terms and conditions of the Tender Offers. The first tender offer is for up to \$100 million aggregate principal amount of the outstanding senior notes listed in Table I above (the "Dollar Tender Offer"). The second tender offer (the "Euro Tender Offer" and, together with the Dollar Tender Offer, the "Tender Offers" and each, a "Tender Offer") is for up to €100 million aggregate principal amount of the notes listed in Table II above (and together with the senior notes listed in Table I, the "Securities"). The Tender Offers will expire at 11:59 p.m., New York City time, on March 26, 2021, or any other date and time to which such Tender Offer is extended (such date and time, as it may be extended with respect to a Tender Offer, the "Expiration Date"), unless earlier terminated.

The consideration (the "Total Consideration") offered per \$1,000 or €1,000 principal amount, as applicable, of such series of Securities validly tendered and accepted for purchase pursuant to the applicable Tender Offer was determined in the manner described in the Offer to Purchase by reference to the applicable "Fixed Spread" for such Securities, as specified in the tables above, plus the applicable "Reference Yield" for such Securities, as specified in the tables above, which is based on (a) the bid-side price of the applicable Reference Security listed in Table I above, in the case of the Dollar Tender Offer, and (b) the applicable Interpolated Rate listed in Table II above, in the case of the Euro Tender Offer, in each case as determined at 10:00 a.m., New York City time, on March 12, 2021, minus accrued interest. The "Late Tender Offer Consideration" is equal to the Total Consideration minus the Early Participation Amount.

Only holders of Securities who validly tender and do not validly withdraw their Securities prior to 5:00 p.m., New York City time, on March 12, 2021 (such date and time, as it may be extended with respect to a Tender Offer, the "Early Participation Date") may be eligible to receive the applicable Total Consideration, which is inclusive of the applicable cash amount set forth in the above tables under the heading "Early Participation Amount" (the "Early Participation Amount"), plus accrued interest. Holders of Securities who validly tender their Securities after the Early Participation Date but on or prior to the Expiration Date may only be eligible to receive the applicable Late Tender Offer Consideration, plus accrued interest.

Securities that are validly tendered may be validly withdrawn at any time prior to 5:00 p.m., New York City time, on March 12, 2021 (such date and time, as it may be extended with respect to a Tender Offer, the "Withdrawal Date"). After such time, Securities validly tendered may not be withdrawn unless the applicable Issuer extends the Withdrawal Date.

With respect to each Tender Offer, the Securities accepted for purchase will be accepted in accordance with their Acceptance Priority Levels (with 1 being the highest Acceptance Priority Level and 2 being the lowest Acceptance Priority Level) (collectively, the "Acceptance Priority Levels"), subject to the limitations that (i) the aggregate principal amount purchased pursuant to the Dollar Tender Offer will not exceed the Dollar Security Maximum Amount and (ii) the aggregate principal amount purchased pursuant to the Euro Tender Offer will not exceed the Euro Security Maximum Amount. We may (i) increase the Dollar Security Maximum Amount or the Euro Security Maximum Amount, or (ii) decrease the Dollar Security Maximum Amount or the Euro Security Maximum Amount, in our

sole and absolute discretion and in accordance with applicable law.

The settlement date for the Securities that are validly tendered on or prior to the Early Participation Date and accepted for purchase is expected to be March 16, 2021, assuming all conditions to the applicable Tender Offer have been satisfied or waived. The settlement date for Securities that are validly tendered following the Early Participation Date but on or prior to the applicable Expiration Date and accepted for purchase is expected to be March 30, 2021, assuming all conditions to the applicable Tender Offer have been satisfied or waived.

The Tender Offers are subject to the satisfaction or waiver of certain conditions specified in the Offer to Purchase. The Tender Offers are not conditioned on any minimum amount of Securities being tendered.
