

Albemarle Corporation to Present at 2022 J.P. Morgan Industrials Conference

March 7, 2022

CHARLOTTE, N.C., March 7, 2022 /PRNewswire/ -- [Albemarle Corporation](#) (NYSE: ALB), a leader in the global specialty chemicals industry, announced today that Kent Masters, chief executive officer, and Scott Tozier, chief financial officer, will present at the J.P. Morgan Industrials Conference in New York City on March 16, 2022, at 9:40 a.m. ET.

The presentation materials and a webcast will be accessible at the time of the event through the Events and Presentations page on Albemarle's website at <http://investors.albemarle.com>. A webcast replay will be posted to the company's website approximately 24 hours following the conclusion of the event.

About Albemarle

Albemarle Corporation (NYSE: ALB) is a global specialty chemicals company with leading positions in lithium, bromine and catalysts. We think beyond business as usual to power the potential of companies in many of the world's largest and most critical industries, such as energy, electronics, and transportation. We actively pursue a sustainable approach to managing our diverse global footprint of world-class resources. In conjunction with our highly experienced and talented global teams, our deep-seated values, and our collaborative customer relationships, we create value-added and performance-based solutions that enable a safer and more sustainable future.

We regularly post information to www.albemarle.com, including notification of events, news, financial performance, investor presentations and webcasts, non-GAAP reconciliations, SEC filings and other information regarding our company, its businesses and the markets it serves.
