

Albemarle Corporation to Participate in Virtual Panel Discussion at Loop Capital Markets 2022 Industry Conference

May 25, 2022

CHARLOTTE, N.C., May 25, 2022 /PRNewswire/ -- [Albemarle Corporation](#) (NYSE: ALB), a leader in the global specialty chemicals industry, announced today that Eric Norris, president, Lithium, will participate in a virtual panel discussion at the Loop Capital Markets 2022 Investor Conference on June 1, 2022, at 12:00 pm ET.

A webcast replay will be available immediately following the conclusion of the event through the Events and Presentations page on Albemarle's website at <http://investors.albemarle.com>.

About Albemarle

Albemarle Corporation (NYSE: ALB) is a global specialty chemicals company with leading positions in lithium, bromine and catalysts. We think beyond business as usual to power the potential of companies in many of the world's largest and most critical industries, such as energy, electronics, and transportation. We actively pursue a sustainable approach to managing our diverse global footprint of world-class resources. In conjunction with our highly experienced and talented global teams, our deep-seated values, and our collaborative customer relationships, we create value-added and performance-based solutions that enable a safer and more sustainable future.

We regularly post information to www.albemarle.com, including notification of events, news, financial performance, investor presentations and webcasts, non-GAAP reconciliations, SEC filings and other information regarding our company, its businesses, and the markets it serves.
